

## Tour E-D-I

### (Greenhouse on the River, Gardens Plus & Keene on Gardens)

#### E-Greenhouse on the River

Head north to Lakefield on Highway 29, go through 2 sets of lights over the bridge and turn right. You are now on the lovely River road, which runs directly to The Greenhouse on the River.

For 20 years, the Greenhouse on the River, has been the Kawartha destination for the best in container and hanging gardens. From the sun worshippers to the shade tolerant, you will find the best seedlings and starters; the new, the exotic, grasses, tropicals, herbs and heritage tomatoes, tried and true favourites, ready for a home in your garden.

Nothing says "welcome" like a beautiful garden oasis on the patio, deck or balcony. For plants that work, let The Greenhouse welcome you to their houses. Continue along River road heading towards Peterborough. After a few kms pass Trent University and then turn left onto University road. At the end turn right and you are AT Gardens Plus.

#### D-Gardens Plus

Gardens Plus is more than just a perennial nursery...Just east of Peterborough on Warsaw road. Take a stroll around the beautifully maintained display gardens, have your questions personally answered by expert gardeners and then choose your favourite low maintenance plants for your gardens.

#### I – Keene on Gardens

From Gardens Plus head west towards Peterborough turn left onto TV road. Follow directions for Keene Road. Drive just 5kms to **Keene on Gardens**. Browse their beautiful gardens, shop their covered sales area and just enjoy the country surroundings. Perennials and Annuals are their specialty.

"It's Where Gardeners Go", for all their needs. Their knowledgeable staff are Horticulturists and have worked in the gardening, landscaping and design business for years and share your passion for plants and gardening. We can help you determine the best plants, shrubs, arrangement, to help your gardens come alive with colour and style. They provide a relaxed, shopper friendly atmosphere with a rural setting, that will inspire you to create the garden of your dreams.
